Dear Mr. Fassler:

Thank you for your letter dated April 26, 1990. I am the Delegate of Swains Island in the House of Representatives of American Samoa.

I would like to let you know that Swains Island doesn't have a mailrun, and so, all of our mail comes to PagoPago. A Government Vessel takes supplies to Swains every three months, and the mail is put on the vessel, but there is no Post Office on Island.

I would really appreciate copies of the covers that were mailed from Swains by my Grandfather ALEXANDER ELI JENNINGS. It's exciting to know that someone actually has them.

If you have any more questions, please let me know. Thank you for your time and effort in this matter.

Sincerely,

WALLACE H. JENNINGS
